Student Guide

Welcome

from the Head Teacher, Phil Petch and the staff team

Welcome to Arc Oakbridge School, we hope that you will enjoy your time with us here.

The school is a place where we are kind.

We work with you to help find the best way for you to learn.

It is a fun school with lots to see and do and the staff are always here to help you.

We want to find out from you the best way you like to learn and the things you like to learn about.

The school has lots of classrooms and places where you can learn about computers, art, music, and cookery.

There are quiet spaces where you can sit and think or talk to someone quietly.

We also do lots of activities away from the classroom.

How does the school know how to help me?

Before you come to the school we get lots of information about you.

We call this your plan and we all read your plan.

Then together we you can work out what works best for you.

How will I know if I am doing well?

You and your teacher will talk to each other.

They will tell you every day how well you are doing.

At parent and carer meetings we tell you and other people how you are doing.

We want to hear from you as well.

What if I need extra help?

You can speak to any of the school staff, or you can speak to another adult.

Never worry about asking, that is what we are here for.

If you need extra help to take part in activities we will make sure you get it.

How will you help me be ready for another school, college or training?

All the staff will help you do this.
We will teach you about staying safe.
We will teach you about planning your time.
We will make sure you are ready for learning.
We will work with you, your family and carers and together we will make sure you are ready.

How will you keep me safe from bullying?

We do not want you to be upset in school.
You can speak to any of us if someone has upset you.
We will listen to you and we will help you.
We will sort things out so they do not happen again.
We have rules at Oakbridge about being kind to each other.
The rules are there to stop bullying happening.

What if I am worried about something?

All the staff are there for you to talk to.
You can speak to your keyworker or any other member of staff.
It is our job to keep you safe.
It is our job to listen to you.

Any questions?

You or someone else can write your questions here and we will answer them for you.
